Professional Organizations

NCLC staff are active, contributing members of various professional organizations that constantly update and provide information on the latest trends and products in our different fields of expertise. A selection of links for these organizations are included below.

- **SGMP. Society of Government Meeting Professionals.**
SGMP is a nonprofit professional organization of persons involved in planning government meetings, either on a full or part-time basis, and those individuals who supply services to government planners. Our objectives are to improve the quality and promote the cost effectiveness of government meetings by improving the knowledge and expertise of individuals in the planning and management of government meetings through education, training, and industry relationships.

- **UCEA. University Continuing Education Association.**
As the principal US organization for continuing higher education, the Association assists institutions of higher learning and affiliated nonprofit organizations to increase access through a wide array of educational programs and services. UCEA also provides national leadership in support of policies that advance workforce and professional development. Since its inception, the Association has been committed to making higher education available to everyone, as well as to ensure that programs and services address societal needs and economic trends. In addition, UCEA works with counterparts abroad to foster professional exchange and better international understanding of continuing higher education.
